TrimFreeTM Laser Transfer Paper

SINGLE STEP

Revolutionary Transfer Paper

Paropy CL TrimFreeTM for laser printers and copiers is a unique, single-step self weeding transfer paper for white and light colored fabrics.

Time Saving

Developed to leave ZERO background in the unimaged areas of the design, TrimFreeTM eliminates the need for trimming the image prior to pressing. Ideally suited for full color logos or artwork, TrimFreeTM can be applied to cotton, cotton blends, 100% polyester, leather and more.

Color Laser Copiers and Printers

TrimFreeTM will run without exception on both oil and non-oil color laser copiers and printers

Suitable for:

- Cotton/Polyester T-shirts
- Tote Bags
- Hats & Caps
- Aprons
- Leather
